A SWENSON COMPANY

Dance. Celebrate. Party.

We are the entertainment professionals, providing unique, unparalleled live entertainment services. We welcome the opportunity to turn your next event into the event everyone's still talking about with packages and options tailored perfectly to your needs. We have a *NO TIME LIMIT* benefit! We work your entire event, with no hidden fees and no limits on time. Don't want the party to end? It doesn't have to with Location DJ.

Professional DJs

Our DJs are real world working DJs from nightclubs and events around the country. We mix music live, creating a custom sound sure to impress your guests and energize your crowd. Our DJs specialize in many different types of music. You name it we pretty much have it and we can keep it squeaky clean!

Lighting. Trussing. Staging.

We have high-end LED robotic moving lighting and powerful high-end LED fixed lighting that can illuminate large to small event facilities. This state-of-the-art equipment provides brilliant beams of colorful light. We have multiple staging options (including modern trussing) for lighting and speaker setup. You can choose to create a look and setup specific to your event, or you can choose one of our pre-designed setups sure to impress.

Superior Sound

We offer many different professional high-end sound systems for events that require powerful vibrant sound. For larger nightclub style events, we utilize our QSC audio and JBL pro equipment systems. If your event needs an elegant, still powerful, sleek and slim line look, we offer several options from BOSE.
