whether it be a traditional ceremony and reception, or a contemporary inspired wedding. Our management and staff have the genuine commitment to make your wedding “ultimately delightful”. The Bedford Village Inn’s most enduring tradition is a dedication to quality- and on that it has built an exceptional reputation. From its beginnings in the mid-eighteenth century, the Bedford Village Inn was the site of the old Gordon Family Farm and has been a nexus for regional hospitality surrounded by New England history. For 200 years, hard work developed a solid character, not only in the foundations and beams of the building, but into the lives of the people who owned the property. Jack and Andrea Carnevale took ownership in the late eighties, aided by a staff of 150 outstanding employees. The team developed the property into the longest running consecutive

AAA Four Diamond Inn and Restaurant in New Hampshire. The Bedford Village Inn is also a recipient of the Distinguished Restaurants of North America (DiRo-NA) Award and the Best of Wine Spectator Award of Excellence. In a multi-million dollar renovation, buildings and landscapes underwent assiduous changes: old foundations, boards, millstones, and beams were restored or replicated leaving the property its original charm and a fine approximation of Federal Era splendor with all the modern conveniences. The wedding of old and new adds grace with function and defines the special appeal of the Bedford Village Inn. Travel just 10 miles from Manchester Regional Airport and find yourself in a different world, one in which the beauty of nature blends seamlessly with sophisticated New England style.
