Please find here all the Important information to complete a Booking with Bravo's Party

## POLICIES

- **TRANSPORTATION** there are extra fees for locations outside Toronto City or more than 25km away from our offices.
- **DRESSING AREA:** The Client must provide a private place for the Cast of the Show hired, before and after the service, to change and leave their personal stuff safe. This area must be close to the area where the performance will be held. Any help provided to the staff in order to place the service's materials in the place to perform is very much appreciated!
- **SPA PARTY:** The Client must provide: 1 table with 4 chairs for the Facial and Makeup, 1 sofa or 4 chairs for the Mini Manicure and Mini Pedicure and free space of 10sft approximately for the Photo Pose Training.
- **DURING THE PERFORMANCES:** Our performers and party hosts always do a wonderful job of ensuring children stay on task as well as encouraging them to remain on their best behavior. We ask that anything that may cause distraction such as video games, loud toys, etc. be placed in another space until our performer has fully completed the service. Occasionally, a child may not want to participate in an activity, our performer will try to have the child participate, however it is helpful if the parent encourages the child's participation as well. Parent interaction and general enthusiasm also play an immensely important role in ensuring your event is as enjoyable as possible. Please do not hesitate to communicate with the performer during the event. Also, hydration is needed during and after the show. Thank you so much for understanding.
- **ARRIVING at THE PARTY:** Please keep in mind that Bravo's Party is "mobile" service, and although we take great care into scheduling events, occasionally unfavorable traffic, weather conditions, and other such issues may cause a slight delay in your event. If this does occur, the performer on route to your event will notify you at once. Your patience for such an occurrence is much appreciated.
- **TIMING OF THE SERVICE:** Please, understand that our services are hired for several events during the same day and that we must keep the schedule. We understand that sometimes guests don't show up at the invitation time, but the maximum waiting time for the staff to start the service is 15minutes. After that there will be extra timing charges, always considering that there is enough time for them to stay and that there are no other services hired after yours. Otherwise, there are no refunds neither discounts. So please verify the proper start timing for your service.
- **PARKING:** Cast members will require a parking space, in the driveway or very close to main entrance, provided by the client. If the staff has to park in a paid parking, the client must cover the expenses of the parking service during the show hired.
- **NIGHTLY RATES:** There is an extra charge per hour and per staff serving after 9 PM
- **HOLIDAYS:** Bravo's Party is 365 open mobile performance. There is a 50% extra fee for the services performed on Christmas and New Years Eve Holidays
- **PLEASE NOTE:** Once a reservation is made there are no refunds, your party is on our calendar and set in stone. We can not guarantee any time or date changes as we may get booked up around your event. By paying you are reserving a spot on our calendar, which prevents our staff from taking on other work during your time booked
