Testimonials

"Impressive to say the very least! The Temple & MIRUS Gallery venues helped us create the impact and WOW we were looking to have when holding our two-year anniversary event. The layout, lights and effects add a unique dimension that few if any venues in Denver offer. Plus their entire team were kind, professional and proactive in helping us with everything we needed to execute a successful event. I loved working with them and look forward to the next opportunity to hold our event there!"

Liana C, Sensi Magazine

"As an artist there's nothing like performing in a new location; you never know what it's going to be like, what hurdles you might have to overcome to give the best show you can. I am pleased to say when we had our album release party at MIRUS Gallery on July 27, 2018 it was more than an enjoyable experience! Our fans raved about the gallery and how cool of a space it was for a live performance. The sound engineer, Jacob, was more than helpful; he was happy to take the time we needed to get everything set up how we wanted and sounding great. Jill was super; always available and made it a priority to get things set at the gallery for our big day. We had a great turnout; everyone grabbed a drink, perused the artwork, and had a blast watching and listening to Everyday Ritual."

Atalia D (Lead Singer), Everyday Ritual

"Temple was a great venue for our Industry Party, and our sponsor (GoreTex) was very pleased with the turnout and vibe of the event. Temple will remain on our list of potential venues for events related to Outdoor Retailer."

Kirsten K, Emerald Expositions
