“We had my son’s wedding at DeBary, and it was a wonderful day. The staff was phenomenal and the service was excellent. The hors d’oeuvres, food and cake were everything we expected. They set everything up and we just came in and put our own special touch to the room and the outdoor ceremony. I would highly, highly recommend this venue to anyone looking to have a special event of any kind.” ~ Diana

“Our wedding was beautiful and Lynn was a wonderful help in getting everything set up just the way we wanted it. She even helped us coordinate everyone at the rehearsal and I don’t think she had to do that. I would definitely recommend this place to others!” ~ Cari

“DeBary did an amazing job when it came to organizing everything and it all just turned out so beautifully! They made sure that I was okay with everything from the moment I walked in through the doors till the moment I walked out.” ~ Lyonette
