### FAQs

---

**Can we bring in other alcohol?**

- Unfortunately, no. Our license is a Colorado Limited Winery License, allowing us to manufacture and sell our own product. It is illegal to sell or consume any other alcohol on site.

**Can we bring in outside food?**

- Please do! Order from one of our neighbors, bake some brownies, or bring in a caterer. We're happy to recommend a few of our favorite food trucks as well. We only ask you bring in your own plates & silverware.

**Can we play music?**

- Sure. We have auxiliary hookups, so we can plug in your phone, ipad, or whatever you're using these days. We also recommend our favorite DJ duo - EJ the DJ and Dee Fresh (spellboundmusic@hotmail.com)
