Procedures for PLANNING

Wedding Coordinators and Vendors

Confirmed wedding events require a professional wedding planner and must be approved by Enchantment Resort. Should you elect to not engage a full service consultant, you must select one of the planners from our "Preferred Partners" list for a 30 day minimum coordination period and they must be onsite the day of the event. All vendors are considered "outside contractors" and will be subject to all policies and procedures of Enchantment Resort. Outside contractors may not interfere with the guest experience at Enchantment Resort, Mii amo or Seven Canyons. Wedding planners may not be guest of and/or attend the wedding.

Property Tours and Tastings

Upon receipt of your initial query a sales manager will prepare a customized venue estimate based on your wedding venue and date of preference. Your personalized tour will then be scheduled at a time of your convenience. Property tours are based upon availability. Menu tastings may be scheduled upon request and/or based our Executive Chef's availability. These tastings typically occur within 2 months prior to the wedding date to maintain the integrity of the food served based on the season. Tastings are provided complimentary for up to four guests, plus your wedding planner for events with a food and beverage minimum exceeding \$20,000.

Event Space

Your event space will be selected based upon your guest numbers and unique requirements. Enchantment Resort reserves the right to reassign contracted event space at its sole discretion. Outdoor event space is subject to a 9:00 pm amplification curfew. Backup function space in the event of inclement weather is required for all outdoor functions and may require the purchase of tenting. Various outdoor venues require the rental of additional lighting, service tent, portable restrooms, heaters, etc., and such charges may not be cancellable if outdoor events are moved indoors due to inclement weather. Please note that only the space in which a wedding is reserved will be exclusive on the dates and times outlined in the contract. Adjacent and nearby spaces may be rented by alternate groups and events at the sole discretion of Enchantment Resort.

Contract Commitment

To confirm your event on a definite basis, Enchantment Resort requires a signed contract and a deposit equal to 50% of the event's total anticipated revenue. Prepayment of the balance of your event will be due 60 days prior to your event. Please be advised, the deposit schedule is subject to change at the sole discretion of Enchantment Resort.

No food and/or beverage of any kind will be permitted to be brought into Enchantment Resort by the group or any of the group's guests. Under no circumstances may the resort's public areas, grounds or facilities be used by the group for meals or beverages, including alcohol, which have not been catered by Enchantment Resort.

Enchantment Resort reserves the right to refuse service and/or terminate liquor service at an event should any guest appear to be intoxicated beyond the legal limit or if it is determined that minors are consuming alcoholic beverages. Arizona State Liquor Laws permit alcoholic beverage service from 6:00am through 2:00am Monday through Saturday, and 10:00am through 2:00am on Sunday. Corkage is illegal in the state of Arizona in any restaurant or establishment that has a liquor license. Specialty wines, beers and/or spirits may be arranged for your event with advanced notice and must be purchased through our banquet department. Special meal selections may be arranged for children between the ages of 5 and 12 years old. Children 4 years of age or younger are complimentary.

A taxable service charge (currently 24%) and sales tax (currently 6.35%) will be charged on event food and beverage and other services procured through Enchantment Resort's banquet department. These taxes and service fees are subject to change without notice. Your event's guaranteed attendance is due by 11:00 AM, three business days prior to the scheduled event date. This number shall be considered a minimum guarantee and is not subject to reduction. If a guaranteed count is not received three business days prior, the number of guests previously stated on the banquet event order will serve as your guarantee. You will be charged for the actual number of guests attending or your guaranteed number, whichever is higher. Any remaining variance between your actualized event food and beverage charges and your contracted anticipated event food and beverage revenue will be charged as attrition.
