Guestrooms

In an effort to minimize noise complaints from other hotel guests, receptions hosted in the J.S. Morley Ballroom require a minimum block of 10 guestrooms to include 6 studio rooms, 1 junior suite, 2 deluxe suites, and the Crown Prince Ferdinand Premier Celebrity Suite (Bridal Suite). Room rates depend on how many room nights that are guaranteed in the contract. Do I have to rent sleeping rooms to have my wedding at The Cliff House? -

We require a minimum of 10 sleeping rooms if you are planning on having a DJ or band as part of receptions held in the J.S. Morley Ballroom. This helps the hotel avoid noise complaints by other hotel guests. We accommodate receptions without sleeping rooms provided there is no musical entertainment or if the reception is held in The Cathedral Spires Pavilion or William's Canyon Suite.

How are the sleeping rooms included with the wedding packages paid for? -

You may pay for any or all of the rooms. You may pay for a portion of any or all rooms. We can bill guests individually for their rooms.

What is included in the catering minimum? -

Any food and beverage items (i.e. hors d'oeuvres, salad, entrée, dessert/cake cutting, and bar) are applied toward the minimum. Tax and service fee are additional. Estimate \$55/person for an evening reception.

Do you have an outdoor ceremony location? -

We offer a covered, climate controlled area that opens up to beautiful views of Red Mountain and the foothills of Pikes Peak. The retractable wall of windows can be opened completely on a nice afternoon.

What is your deposit/cancellation policy? -

To guarantee a date we require a signed contract and a 25% deposit based on the facility fee, minimum catering, and ceremony fee, if applicable. \$500.00 of the deposit is non-refundable.

Where do wedding guests park? -

Valet parking is guaranteed to hotel guests first. Remaining spaces are available on a first come first served basis at no additional charge to your guests. Overnight parking is \$15/night.
