

## TEAM BUILDING TASTING EXPERIENCES

\$45 pp  
60 - 90 minutes

### **The Wonderful World of Wine Words!**

This fun, social team activity will have your group howling with laughter while enjoying some of Cave Spring's finest wine. A Cave Spring team member will lead the group through a "definition challenge" of 'wine related' words.

The teams will endeavour to define a wine word to the best of their ability. Each team will have the opportunity to define the word, vote on the word and 'bluff' the work, earning points as they do so. Bluffing with finesse wins points. As the round. Throughout the game your team members will enjoy wine tasting and nibbles.

*Minimum 6 people*

\$45 pp  
90 minutes

### **Vino Picasso**

Our take on the classic, ultimate party game 'Pictionary', this quick-draw classic is a great team-building exercise as well as a ton of fun! Break into teams of three or more and each team will be given a wine related word that is familiar to everyone. The drawer chooses a card out of a deck of special Cave Spring Wine Pictionary cards and draws a picture that suggests the word printed on the card. The pictures cannot contain any numbers or letters, nor can the drawer use verbal clues about the subject he/she is drawing. The teammates try to guess the 'wine word' the drawing is intended to represent within a two minute time period. The group will enjoy wine tastings and yummy bites from On The Twenty during the game to make the challenge even more pleasurable!!

*Minimum 8 people*

## TEAM BUILDING TASTING EXPERIENCE

\$55 pp  
90 minutes

### **Wine & Food Sensory Experience...”oh, I know this...what is it?”**

This guided and fun educational activity in our century old cellars will introduce the group to the dynamics of sensory evaluation. This exploration will showcase the chemistry of wine and food and is designed to help all level of tasters identify aromas and flavor profiles of wines. Start with some sparkling wine as we begin a delightful sensory adventure. The sensory tour highlights the use of our 5 physical senses when enjoying wine. Your group will be led through challenging 'blind' olfactory and tasting experiences including both wine and food with everyday flavours and aromas.

- 5 blind aromas
- 5 blind food tastings
- Blind wine tastings to identify 3 different varietals. The person (or team) who correctly identifies the most varietals will take home a prize!
- Wine and food pairings incorporating the blind experiences
