CAPACITY + FLOORPLAN

The Castle seats up to 80 guests for a fully seated meal or 125 guests for a cocktail party.

Guests enter through the front room which features our bar, perfect for a cocktail hour.

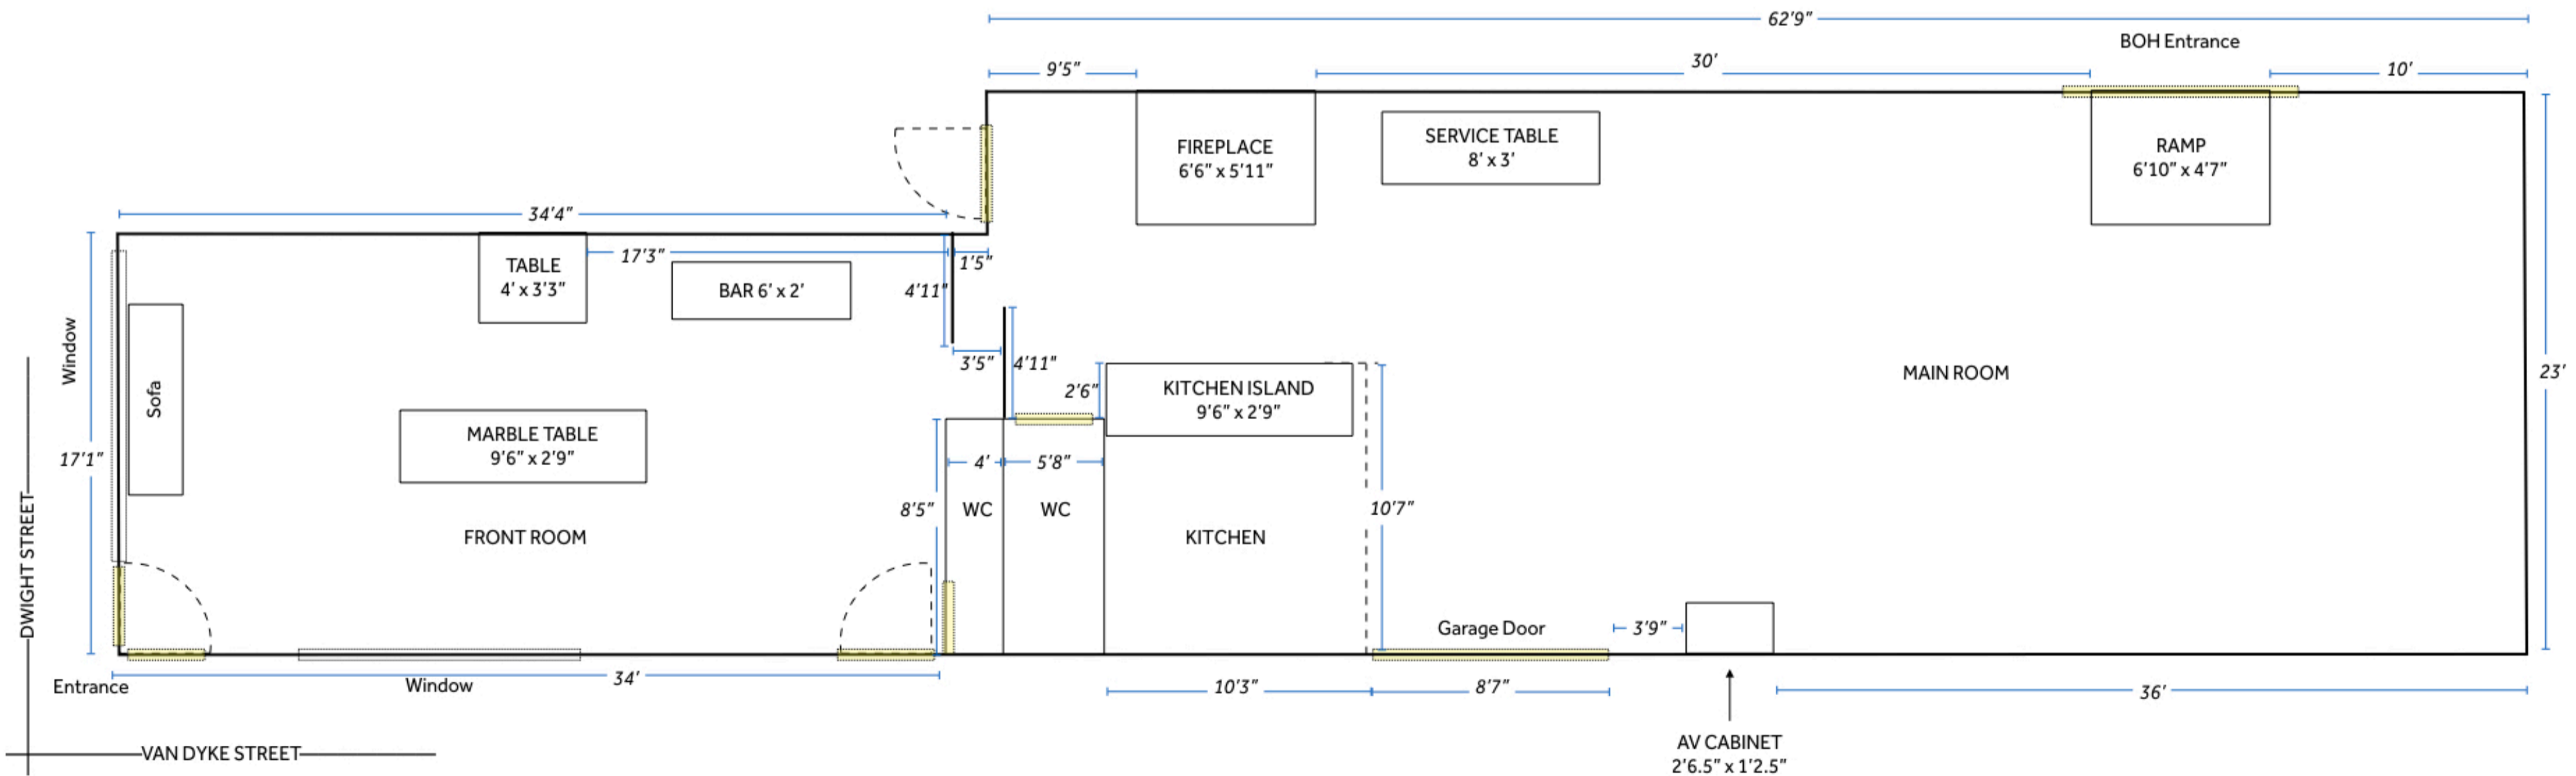

We host dinner in the main room, which has an open kitchen in the corner, a raised hearth fireplace and exposed brick.

After a seated dinner, we usually serve dessert in the front room and we can break down some tables to create a dance floor and light our in-house disco ball on.

For larger cocktail parties we can set up a secondary bar in the main room and have guests mingle throughout the space.

For smaller events, the front room is available for a partial rental on weekdays.

The front room hosts dinners for up to 26 guests and cocktail parties for up to 40 guests.
