SPARK YOUR IMAGINATION WITH FRESH CUISINE

Our focus on fresh and our commitment to supporting local farms mean that the produce used at Heirloom Farmhouse Kitchen comes primarily from farms within a 200-mile radius. Another local ingredient, honey, is celebrated not just in the restaurant but in the Hive & Honey Rooftop Bar, where our bartenders are serving up delicious honey-infused cocktails. The Marriott Irvine Spectrum is also the only place in Orange County offering Bee's Box wine from the Francis Ford Coppola Winery, which donates 10 percent of the proceeds from each bottle to local beekeepers.
