

HENLEY

MODERN AMERICAN BRASSERIE

HENLEY PRIVATE DINING

Rooted in the traditions of regional cooking, Henley celebrates quality products made by American hands. That starts with the ribbons of local ham that come off the classic Berkel slicer behind the bar and extends to design details sourced from Nashville artisans and even includes the walnut bitters splashed into the Henley Old Fashioned. The atmosphere evolves as you move through the space: bright and breezy on the patio, hushed and moody in Snooker.
