

## ABOUT

Welcome to Cottonwood Glen. At just 25 miles east of the Denver Tech Center, Cottonwood Glen is set within 740 acre property of Kiowa Creek Sporting Club. Our versatile venue is inspired by Colorado's natural beauty and designed to showcase the natural beauty of Colorado. Event areas and accents include a grand outdoor hearth, pergola covered finished patio, cottonwood-lined ceremony meadow, and our barn-style pavilion!

Spaces are enhanced by mature trees, specialty uplighting and professional landscaping with an abundance of cascading florals. Cottonwood Glen can accommodate groups of up to 250! Indoor areas include a beautiful bridal suite and stunning groom's retreat. Our venue is managed with a commitment to excellence for a first class experience from what we deliver all the way to the high caliber of vendor partners we permit to work on site. Cottonwood Glen was designed with events in mind!

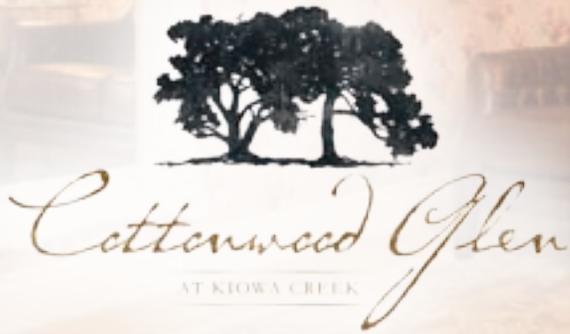

## THE GLEN

The Glen is a dedicated ceremony space set below the main venue and accessible via a single lane ideal for all types of vehicles to transfer guests from space to space. The winding path is naturally lined with native grasses directing all into the meadow. Here guests will be warmly welcomed with a shaded seating area under a grove of cottonwood trees. The oversized flagstone path creates a pathway to a naturally framed alter which is enhanced by our hand crafted church windows.
