## **WELCOME TO BATES NUT FARM**

Bates Nut Farm offers a beautiful country setting for your outdoor wedding. Our picturesque one-hundred acre farm dates back to the 1920s and is family-owned and operated.

Rows of mulberry trees and an expansive lawn provide a comfortably shaded space for your ceremony and cocktail reception.

Surrounded by lush green hedges, our garden reception space is highlighted with greenery and flowering plants to give you a backdrop to personalize to your style. This area also includes a covered stage, market lighting, and a concrete dance floor.

Our venue rental includes a lot of value, such as all the furniture for your guest seating and 13 hours use of the spaces to give you plenty of time to set up, decorate, and celebrate!

We would be happy to recommend outstanding vendor partners that offer quality and affordable services or work with your selected wedding vendors. We go the extra mile to make sure you get support beyond just the venue rental by meeting with you a few months before your wedding to review your day-of plans and answer any questions and concerns.

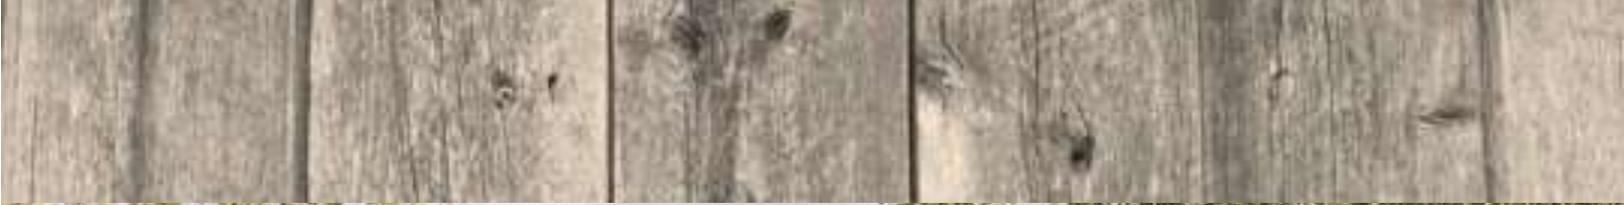

Each event is unique in its own way, and there are many options available to you at Bates Nut Farm. Our special events team has the experience, creativity and resources to bring your event to life and will work with you to create a bespoke wedding package fitted to your needs. Feel free to contact us to discuss your special day in depth and to schedule a tour of our lovely venue.
