"I had my wedding at Mozart's in December of 2020. ... They were incredibly flexible with our requests and made sure that all the guests were as safe as possible with social distancing. We hired the in-house pianist and I couldn't have asked for a more magical wedding with classical music playing. The food was delicious and the whole event was short and well organized. The ballroom looked beautiful in winter. ... 10/10 would recommend this place for an intimate wedding or party."

"My fiancé (now wife) recently were married here back in July. We had originally scheduled our wedding for April, but with COVID restrictions we were forced to reschedule. When we presented the possibility to postpone, Mozart's (Anand/Janelle) was extremely accommodating and understanding. We had an unbelievable experience, it was personable, intimate, fun, and memorable."

We got married on August 11, 2019. Anand and his team turned our dream into reality. Janelle was our go to woman. She handled every question and request with the utmost professionalism and decorum...

To this day our guests are still talking about how wonderful everything was. From the venue, atmosphere, food and just everything. I would highly recommend this venue to make your dream wedding come true!

Our reception at Mozarts was outstanding. Anand and Janelle were a delight to work with... The cake was amazing both on the outside and the taste. The food was incredible. The staff was great, and were understanding when we were a little late to the reception. It was a gorgeous venue, and they were so helpful with working with our decorator to be able to get in early and decorate.

Highly recommend!

We planned our wedding in two months and couldn't have done it without the help from the wonderful team at Mozart's. From the initial walkthrough with Adnan to the planning with Janelle. It was seamless. Our wedding and reception were perfect and beautiful. From dinner to the cake and champagne toast everything was taken care of. The Beechwold Tavern Room is intimate and beautifully appointed. We couldn't have asked for more.

My wife and I had our wedding reception at Mozart's on Saturday, April 27th. We had about 90 people there so there was plenty of room for our guests and a dance floor. The room was decorated beautifully and the food was delicious and plentiful. The desserts were to die for. Pete, our piano player, was fantastic and the staff were all so very friendly. Parking is abundant there for that size wedding and I felt that the price was very reasonable. I couldn't have asked for a better place for our reception and I give it my highest recommendation!

Joelle and Anand and all of the staff at Mozart's were absolutely incredible from start to finish. They were always available for every question we had, helped guide us through some of the trickier bits, and were on hand through the entire ceremony and reception to make sure things went smoothly. I have always loved going to Mozart's, ever since I was a kid, and to have them create our food (incredible), our cake (stunning and delicious), and help us plan our perfect day was a dream. I truly can't recommend them highly enough. If you want a gorgeous, personalized wedding with the best food and most stunning cake, they should be your go to.

Choosing Mozart's as our wedding vendor for our reception was one of the best decisions of our wedding planning. The venue was beautiful and spacious... The space was very accommodating for our guests during the cocktail hour and we had a live pianist provided by Mozart's. The ballroom was open and offered a patio to our guests to enjoy some fresh air. Our outside pictures turned out amazing. Mozart's even put a personalized congratulations on the marquee outside the restaurant.

The owner and wedding planner were wonderful to work with. They were welcoming, dedicated, and eager to make our day perfect. They exceeded our expectations and accommodated all of our requests. They were organized and thorough during the planning phase and the execution phase was just about flawless. The reception pictures turned out crisp and clear even with the mood lighting. The food was delicious and complimented by many of our guests. There was a variety in the menu to accommodate all dietary needs. Mozart's also provided us with a gorgeous and delicious wedding cake that we had no regrets with. Overall, our experience was exceptional. I would recommend everyone to share their wedding day with Mozart's.

We had our wedding ceremony and reception at Mozart's and everything was perfect! Anand and Janelle were wonderful to work with, and made planning easy. The venue was beautiful. Suzie Newman officiated the wedding and wrote such a beautiful, personalized ceremony that our guests thought that she had known us for years. The food was delicious and our guests loved it. Anand and Janelle helped us choose entrees and appetizers which complemented each other and were perfect for our fall wedding. The cake and pastries were both gorgeous and delicious. Mark's classical piano music was absolutely beautiful and gave our wedding an extra touch of elegance. The service was great and everyone we worked with went above and beyond to make our day special. We look forward to celebrating our anniversaries at Mozart's for years to come!

Janelle was wonderful and very responsive; everything was handled well and the reception was great. Good food, great wine, great music, amazing venue — and we got a discount for booking off season. The mushroom soup was to die for, and everyone raved about the food. They worked with me on my budget and planned every detail to make our wedding a memorable occasion. I would not hesitate to recommend them.

I'd highly recommend Mozart's. We had our ceremony and reception there in the Amadeus ballroom. Janelle and Anand were extremely accommodating and went above and beyond to make our day perfect.

They coordinated everything with my wedding planner and were happy to answer my emails or calls. We loved that at Mozart's we weren't just another wedding, we felt like family.

My husband and I got married on March 23rd of this year! We had an absolutely beautiful California style wedding. Janell and the staff made everything so easy for us. My mother keeps getting comments three months later on how amazing the food and tasted. Lots of room for dancing and socializing. I would recommend Mozart's cafe to anyone and not just for a big event. Thank you, Janell for everything you did to make my day so special.

Mozart's beautiful ballroom and ability to take care of all the details (linens, flowers for the tables, appetizers, dinner, desserts) was a major factor in our decision to select them. The location was lovely, the food was excellent, and I was beyond impressed with the wait staff and service throughout the whole day. Anand and Janelle made our day as perfect as a venue could hope for.

It was wonderful to get married here! Anand and Janelle were accommodating, flexible, and prompt. Helped us feel safe and distanced while still being intimate and very special. Guests (and we) loved the salmon and raspberry cake especially! Beautiful venue and patio. I can't say enough how much of a breeze organizing food, drink, set-up was, Mozarts really took care of the hard parts. Thank you again and again!

We had a wonderful experience with all the staff, the Wedding Planner, and the owners of Mozart's. We had an intimate event for a second wedding for both of us. We were in the Beechwold Tavern Room and the staff set it up just as we wanted. The cost was very reasonable and the food was delicious. We received MANY compliments about the event.
