

The background of the entire page is a light-colored, marbled paper with intricate, swirling patterns in shades of grey, white, and cream. The marbling is dense and organic, creating a textured, artistic effect.

JW Marriott Grand Rapids Event Technology can provide production quality audio, lighting and video systems to support every event from small meetings to large scale events and social galas. Please contact us for a customized proposal. Media files (PowerPoint presentations, logos, videos) should be sent in advance for downloading, transferring, testing and rehearsal. AV rehearsals must be scheduled at least one hour prior to doors opening.

HOUSE LIGHTING

The ballroom has a lighting system with presets. These presets are in place to accommodate a wide variety of different events. If you would like to customize these presets for your event, please contact your Event Manager.

AV TERMS AND CONDITIONS

A complete line of audio visual aids are available through our Audio Visual department. All audio visual equipment must be handled through the JW Marriott. All personally owned laptops and projectors are allowed with prior authorization from the Event Manager. The hotel is not responsible or liable for personal audio visual equipment. Equipment may be cancelled without charge 48 hours prior to scheduled event. All equipment requiring a technician must be operated by a JW Marriott technician. All rented equipment is applicable to a 6% sales tax and a 23% service charge. All audio visual on-site add-ons will require a signature prior to installation. No allowances will be made for equipment ordered but not used. For liability and safety, the JW Marriott requires that all power be supplied by the Audio Visual department. When three or more audio sources are needed a technician will be required. Price includes delivery, set-up and on-site support. No partial day rentals.
