Fayston, Vermont

Corporate Retreat Program

Unique Opportunity

Tucked in the heart of the Green Mountains, we offer a boutique lodging experience with 18 guest rooms. The property has three event spaces on site, and is only minutes away from countless outdoor opportunities in any season

Events Pavilion

Located on the hill behind the Main Barn, our Events Pavilion holds up to 200 people. Easily divided into multiple breakout spaces or used as a whole, this facility is a stunning location for meetings or meals.

AV Equipment is available for use within the space, which boasts a state-of-the-art sound system. Chairs, tables, flatware, glassware and silverware are all included.

'Formal' Dining Room

Our downstairs dining room seats 80 guests indoors with an attached outdoor patio that is perfect for cocktail hour. From white linens and wine to burlap and beer the Dining Room is an elegant space to host a more formal plated or buffet meal.

Tables can be rearranged into a horse-shoe format with access to a projector and audio for an additional break-out space

Pub & Game Room

Our upstairs Pub & Game Room holds up to 100 people with a variety of table styles and bar seating as well as a deck in the summer. The space can be easily converted into a formal or informal meeting atmosphere with AV, two televisions and a surround sound system. For the less formal crowd, gather around the shuffleboard table or get into a game of foosball
