# Milton Ridge Historic Chapel and Reception Hall : FAQ's

## **Can I bring my own vendors?**

You sure can! We offer many services at Milton Ridge including DJ's, Photographers, Bakery Services and Floral Designers; however, you are more than welcome to bring your own. Please ensure that any vendor that you hire carries insurance (for your protection and ours). Our in-house caterers can provide a global menu as well as Halal options. It may be possible for us to work with an outside restaurant or caterer to provide ethnic cuisine, however all other catering services (for example linens and staffing, tableware, setup and break down) must be provided by Milton Ridge.

## **Can I decorate?**

Yes please! We want you to bring your wedding vision to life. We do not allow anything to be attached to our floors, ceilings or walls that will do permanent damage or leave any marks but otherwise you are just about free to do what you want. (Command Strips and tape may not be used on our painted walls as they strip the paint.)

## **What is the payment to hold my date and book my wedding?**

We charge a non-refundable fee of \$1000 to hold your date and book your wedding at Milton Ridge. You can pay the deposit by cash, check, credit card or online ACH. All payments made are deducted from the final balance due. Final balances should be paid by cash, check or online ACH.

## **Will other weddings be going on at the same time as ours is?**

Absolutely not! We provide 100% exclusive access to the entire Milton Ridge property to our couples. We also do not allow tours, tastings or any other activities with visitors two hours before the start of your ceremony.

## **What time does my wedding need to start?**

It's your wedding. Please let us know what time you want your wedding to start! There is no access to the Milton Ridge Chapel before 12pm on Sundays.

## **I don't have a final guest count. Can I change my numbers closer to my wedding day?**

We ask for your final numbers, linen colors and menu selections three weeks before your wedding.

## **Who will set up the room and clean it at the end of the wedding?**

The short answer is Not You! At Milton Ridge, we take care of the set up and break down including all cleaning. We ask that you set up your own decorations and centerpieces. At the end of the reception you simply need to take anything you want to keep with you. We clean the venue after your event.

## **Do you offer Day-of Event Coordination?**

Yes we do! Our planner can also help you set up your decorations and (non-floral) centerpieces and help you pack up at the end of the night! (Included with Platinum and Diamond packages - ask for more details.)

## **Do you have additional fees, charges or taxes that we should be aware of?**

Our invoices are fully inclusive of all taxes, charges and fees. There are no hidden fees. If you feel your planner or any of the team have gone above and beyond your expectations and would like to offer them a gratuity on your wedding day then of course they would feel very appreciated.

## **Do you do tastings?**

After booking your wedding, we will invite you to come in for a complimentary tasting. Come hungry and please arrive on time! (Requires minimum guest count of 40). We do not offer tastings for Brunch and Fajita Menus.

## **Chauffeur Driven Ride Home, what does that mean?**

Some rental packages include a sedan car service to pick you up from Milton Ridge at a pre-set time and take you home. We want you to get home safely and in style. This service covers a 50 mile radius.
