At this time, Twin Oast does not provide wedding coordination or decor assistance. We understand that weddings have a multitude of details and that is why we kindly require our guests to work with a Wedding Coordinator. Our Event Team will collaborate with your selected Wedding Coordinator to make sure your event runs perfectly.

When you book your wedding reception with Twin Oast, we reserve the whole weekend just for you! We want to make sure you and your vendors have ample time to rehearse, setup, decorate and enjoy. We allow our couples to choose the wedding times that work well for their needs. Currently, we do require that receptions end by 10pm. The space will need to be left as you found it by 11am the day following the wedding.
