

Private Events

AT DENVER POLO CLUB

Unforgettable

Set in a serene valley blanketed by a carpet of emerald grass, Denver Polo Club beckons guests with its extraordinary setting in the foothills of the Rockies.

Events here can include the inimitable thrill of a private polo match, the hands-on fun of learning to play polo, or simply embrace the expansive valley as a stunning backdrop to your most memorable event.

From intimate gatherings, to team-building days, or a fête for a thousand, Denver Polo Club's canvas accommodates endless event configurations with impeccable style.

Endlessly VERSATILE

The club is your canvas, with endless ways to configure and style your event. Choose from large tented pavilions, dance floors, intimate seating areas or country chic designs. The choice is yours and the possibilities are without limits.

The Entertainment

IS LIKE NONE OTHER

Build in a private polo match to entertain your guests over cocktails and bites. Our announcer energizes the festivities with polo basics and a play-by-play over our audio system. Guests are invited onto the field for a traditional champagne divot stomp, followed by post-match meet-and-greet with Denver Polo Club players and horses.

Learn to Play IN A DAY

A lively team-building event or precursor to an evening's festivities, your guests will learn the basics of polo with our world-class polo pros. This hands-on, two-hour session is ideal for groups of 6 to 20 people, and includes two action stations—learning to swing a mallet and hitting a polo ball while riding one of the club's finely trained polo ponies.

Opt to add on custom-made Denver Polo Club jerseys with your company or event logo as a takeaway for your guests.
