A PASSION FOR PRESERVATION
Originally built in 1854, today our eco-estate is a certified Carbon-Free venue and Green America-approved business. We couple our artistry in custom weddings with a commitment to efforts limiting our ecological footprint, in appreciation of the natural beauty that surrounds the Twenty Mile House and creates a venue as unforgettable as your wedding day.

THE RIVER

Watch the water glisten as you make your way down the aisle along the banks of the tranquil Feather River.

RECEPTION

GARDEN RECEPTION

Dine in natural elegance, host your dinner reception among the trees and floral accents of our garden. Toast the friends and family who joined you on your special day under the light of the vast mountain sky, and our custom outdoor lighting design.

ACCOMMODATIONS

MAIN GUEST HOUSE

The heart of our property is an antique brick home, built in 1854, complete with a wraparound porch and outdoor fireplace. Enjoy exclusive use of four bedrooms, all with private bathrooms, a living room, and fully operational kitchen, designed with the history of the home and modern comforts of our guests in mind. Vines ascend the facade of the home reminding visitors of the natural ecosystem surrounding the house. Spend the day exploring the Middle Fork of the Feather River and return for a breathtaking Sierra sunset in the Twenty Mile House gardens.

"ALL OF OUR GUESTS COULD NOT STOP TALKING ABOUT HOW BEAUTIFUL THE GROUNDS WERE AND HOW RELAXING AND FUN THE ATMOSPHERE WAS."

- CARISSA

PARLOR ROOM

Fitted with a comfortable queen bed, complete with a beautiful antique bed frame, a private bathroom directly connects to the bedroom for privacy and convenience.

TRADING POST ROOM

On the main floor of the Twenty Mile House, this room includes a king bed & queen sleeper sofa, private sitting area, and bathroom.

SCHOOLROOM

Formerly used as a schoolroom for the children of the Twenty Mile House, it is now the perfect room for families with children. It includes a queen bed and two twin beds to comfortably sleep a family of four.

FIRESIDE ROOM

A brick fireplace is the centerpiece of this room, but the hidden gem is the antique claw foot tub in the private bathroom. Set up with a king bed and small sitting area, your guests can feel pampered and comfortable in this second-floor room.

THE TRACKSIDE CABIN

Our most secluded accommodation, the Trackside Cabin abuts Jackson Creek and the lush forest of the Sierra. Relish every moment with a large wood deck, where you may even hear the rumble of a passing freight train during the day. Adorned with an electric stove and large convertible couch, the living room is perfectly suited to enjoy the company of your cabin mates or take advantage of the solitude and appreciate the moment. With a queen bed in the bedroom and a queen convertible couch, this gem sleeps six to eight guests.

THE CREEKSIDE CABIN

A favorite for the wedding couple, our Creekside Cabin offers the soon-to-be-married couple privacy with a view. Relax to the sounds and view of the surrounding forest in your outdoor Jacuzzi, perched high above Jackson Creek. Indoors features a full kitchen and a living room with fireplace to enjoy as you sip your morning coffee. With a main room and an additional alcove, the cabin can sleep up to four guests.

THE NORTHFIELD CABIN

Our spacious Northfield Cabin is well suited for a group excited to spend quality time together, an ideal space for the groomsmen or bridesmaids, sleeping up to 6 guests. A 360-degree forest-scape allows for privacy while being a mere 500 feet from the Twenty Mile House. The two-story cabin provides the ultimate outdoors experience, with an Adirondack chair-lined porch and grill area for an impromptu afternoon barbeque.

MOUNTAIN VIEW ESCAPE

Just a mile away, on an adjacent property, a perfectly appointed log cabin rounds out the lodging available for your guests. Floor-to-ceiling windows adorn the living room, along with sleeping space for six to eight and a fully furnished kitchen. Off the master suite, the deck boasts mountain views as far as the eye can see and an indoor fireplace for when the weather gets brisk. Take in Cromberg's natural beauty during any season from this historic perch, with roots to an ancient indigenous tribe.

"EXPECT THEM TO GO OUT
OF THEIR WAY AND SURPRISE
WITH THE LITTLE DETAILS
AND CHARACTER."
