REVIEWS

"We held our son's rehearsal dinner at The Upstairs. Wow, what an awesome venue. Loved all the vintage touches. And Lauren was an absolute sweetheart! She was so helpful and easy to work with. It was the perfect start to a perfect weekend." - Judy P.

"Avondale was the perfect wedding venue for my husband and me! There were so many things that made it special. First off, the venue itself is stunningly beautiful without any decoration. The hardwood floors, exposed brick, and windows throughout make for a beautiful backdrop. There were also a lot of cool places to take photos (our pictures in front of the Miss Fancy mural are some of the most stunning photos I've ever seen!). On top of that, the staff at Avondale are phenomenal." - Sara R.
