IN 1885, WOBURN BECAME NEW ENGLAND'S LEADING LEATHER PRODUCER AND ITS TALENTED TANNERS ARE CREDITED WITH INNOVATIONS STILL USED TODAY.

The lobby has been timelessly tailored for the modern traveler while articulating Woburn's legacy of craftsmanship.

RIVET ROOM / POOL

GUEST ROOMS

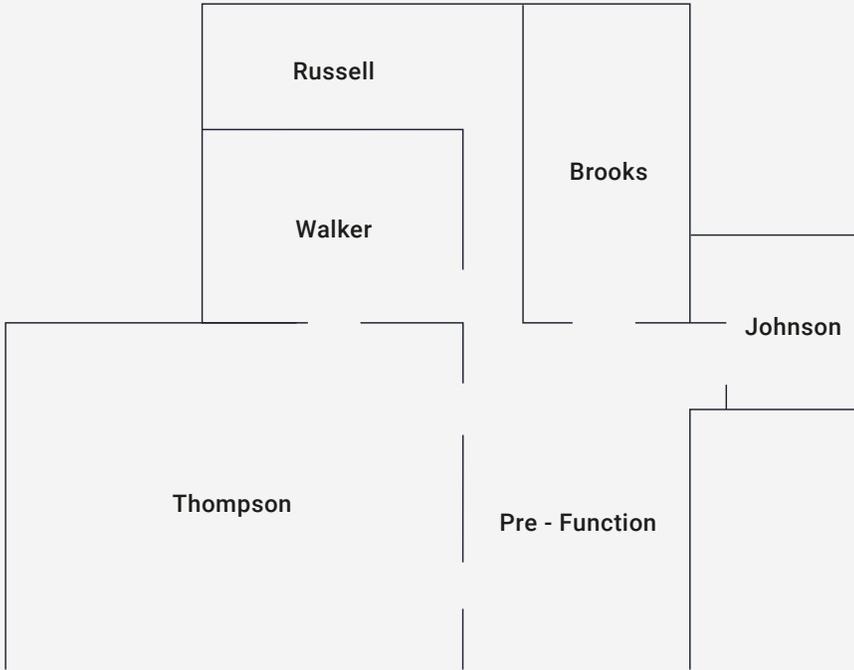

The 344 newly renovated guest rooms, including two Junior Suites, showcase the city's industrial character by highlighting elements of fine cobbler shops and tanneries while infusing contemporary touches. Forged metals, lacquered hard goods, embossed leather headboards and 3D wire art all come together to create guest rooms that are bespoke, spacious and inviting. Room features include Serenity Beds with Serta Perfect Sleeper Suite Dreams mattresses, Peter Thomas Roth bath products and interior balconies overlooking the indoor pool.

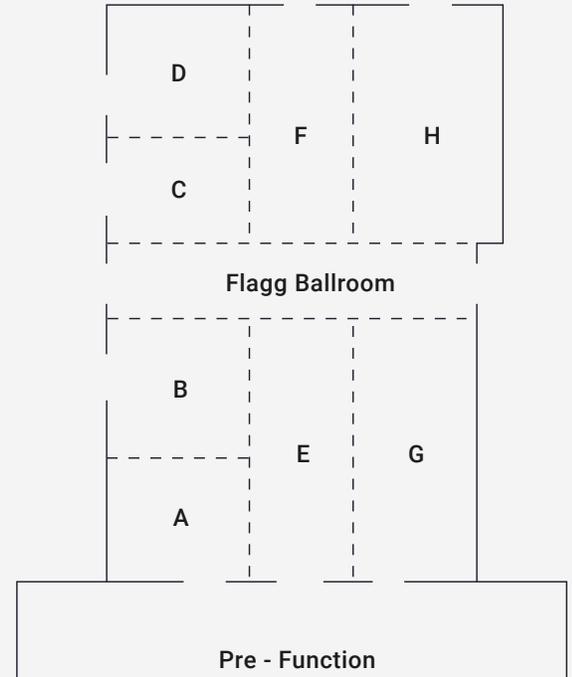

MATADORA

Matadora's stylish patio flows seamlessly inside to a central bar and the restaurant's centerpiece, a custom, wood-fired grill anchoring the open kitchen, which serves breakfast and dinner daily. From above, hotel guests with interior balconies look down onto the kitchen's rooftop mural depicting the restaurant's namesake fighting a charging bull.
