Travel

70 miles of travel is included (round-trip). Events beyond 35 miles from Salina, KS will be charged \$.62 per mile. This is calculated by taking the total round-trip mileage less 70 miles. If the event will require travel past 2:00 AM, an overnight fee of \$200 will be added. Departure time is calculated from the end of the event + 1 hour of breakdown time. I'm happy to calculate this for you to give you an exact quote. Just send me an email: ryan@dryanstein.com
