

The background is a collage of images related to a wedding or event. On the left, there's a close-up of a white tablecloth with a martini glass, a glass of water with ice, and a small gift wrapped in purple paper. In the bottom right, there's a close-up of a diamond engagement ring in its black presentation box, which is open. The background is divided into geometric shapes: a white triangle at the top right, a dark blue triangle at the bottom right, and olive green triangles at the top left and bottom left.

COMMON QUESTIONS

HOW DO I RESERVE A DATE?

We require a signed contract as well as a non-refundable deposit. This deposit is applied to your final invoice!

CAN I BRING MY OWN DECOR?

Of course! You can bring your own decor, just keep in mind that anything you bring is your responsibility for setting up and tearing down!

CAN WE GET MARRIED ON-SITE?

Yes! We allow our booked couples to get married on-site with no additional facility charges.* We recommend cocktail hour immediately following your ceremony. There could be additional charges from outside vendors or from optional increased bar time.

HOW LATE CAN WE STAY?

Reception time is typically 5 hours but hours can be added at an additional rate per hour. Everyone at your reception, including you, must be out by midnight so we can clean up and prepare for the next event.

WHAT TIME SHOULD I PUT ON MY INVITATIONS?

We do not double-book events so your day is YOUR day. Your reception time can be any time between the hours of 10:00 am and Midnight and we won't need to know these details until your final meeting.

I BOOKED! NOW WHAT?

The rest is easy! Any vendors associated with your package will be in contact with you as needed. We will meet with you again to go over your final details and we'll also send you some helpful reminders along the way!

WHAT IS THE DIFFERENCE BETWEEN SERVICE CHARGE AND GRATUITY

Gratuity can be provided at the sole discretion of a guest or client. While never expected, the generosity of any gratuity is always appreciated by our hardworking staff. Like most banquet centers, we require a Service Charge which will be listed on your invoice. This charge is used to help support the expenses related to the service portions of your bill and to ensure your event is properly staffed.

* Please ask for details, restrictions may apply.
