COLONY WEDDINGS

A Woodstock wedding that's uniquely yours.

The moment you and your guests step inside our historic venue, you'll instantly feel the welcoming vibe and spirit of a true Catskills artists' haven. The Colony exudes the ambiance of a bygone era, offering your wedding a casual elegance unlike anywhere else.

Exchange vows from our gorgeous grand stairway that spills into our ballroom, or live onstage as the rock stars you truly are.

Plan your rehearsal dinner, ceremony, reception, and day-after Jazz Brunch in a setting that evokes the rustic beauty of the Catskills, hearkening to a nostalgic music and arts culture that took place long before the '60s—a Woodstock that celebrates love and the arts, sans tie-dye.

Located in world-famous Woodstock, the Colony is just two hours north of NYC, a convenient one-hour drive from Albany International Airport or Stewart International Airport.

Our venue is situated in the heart of the happening village, walking distance to an array of charming boutiques, cozy cafés, and stellar eateries, yet, set back just enough to provide your event with ample privacy. Lodging options abound in-town or in nearby Kingston, Saugerties, or Rhinebeck. Ideal for out-of-towners who wish to extend their stay in our beautiful region by exploring walkable main streets or the scenic Catskills.

THE VENUE

Something old. Something new.

Sure, our historic venue exudes the ambiance of a bygone era, offering your guests a nostalgic, boho vibe unlike anywhere else. But with five dynamic event areas, a world-class sound system, and mouthwatering catering options, we set the stage for a wedding that wows your guests.

TEA HOUSE BRIDAL SUITE

Gather with your favorite ladies to sip Champagne as you prepare to make one of the best memories of your life.

The Teahouse Bridal Suite is charming and cozy with a touch of elegance, adding to the already-magical moments of excited laughter, bonding over hair and makeup, and finally, slipping into that gorgeous dress. (I'm not crying, you're crying.)

GROOM'S LOUNGE

Gather with the guys for a relaxing way to prepare for the best day of your life.

The Old-World charm and craftsmanship of our well-appointed Billiards Lounge provides the ultimate chill spot to play a few games and drum up some excitement while you're busy getting dapper. Cheers to you!

ELEVATED ELEGANCE

Make a grand entrance from our cascading stairway, where you'll exchange vows before the rustic bohemia of our main ballroom.

Whether you prefer a laid-back ceremony or a formal occasion, saying "I do" from this distinctive standpoint is sure to make your wedding an unforgettable day.

MAIN BALLROOM

Rife with ambiance, the Colony is nearly a century old, and its atmosphere lives up to its historical heritage.

Our main ballroom provides dining space for up to 90 seated guests, with additional seating upstairs; when it's time to let loose, our dance floor opens with plenty of room to groove. Sip libations from our fully stocked bar while enjoying your wedding band live on our historic stage— we've even seen musical brides and grooms jam out with their own band for a truly extraordinary experience.

STAGE & DANCE FLOOR

There's more than one reason why the Colony has been a revered location for weddings—it's not just our storybook setting.

As a top-tier music venue, we offer exceptional state-of-the-art sound and lighting systems, perfecting your ideal celebratory vibe. Our world-class stage and spacious dance floor were designed for festive revelry and, of course, impeccable photo ops.

SECOND FLOOR BALCONY

Our softly lit second-floor balcony overlooks the main ballroom, providing sweeping views of the celebration below.

The balcony is a perfect respite for guests seeking a quieter spot for cocktails and conversation, or to rest their feet after dancing the night away.

BILLIARDS LOUNGE

Stepping into our Billiards Lounge is like traveling back in time to an Old-World game parlor.

Kick back in our Billiards Lounge with masterful woodwork in a casually elegant setting. Enjoy a vintage cocktail (whiskey sour, anyone?) in between rounds of pool and jovial conversation.

FULL-SERVICE KITCHEN AND BAR

Delicious food can elevate your event. Our chef can coordinate a menu so good even your most buttoned-up guest will do a little happy dance. Plus, if you choose to offer libations, our bar is stocked with some of the finest craft beers, wines, and spirits.

TESTIMONIALS

See what our elated guests have to say about their own Colony wedding experiences.

My husband and I met several years ago at the Colony so it was the perfect place to get married. We couldn't have wished for a better day! Shout out to Paloma for the amazing floral installation above the stage.

—Haley

As a musician, I love that the Colony is a couple of hundred yards off the village green in the heart of Woodstock—who wouldn't want to get married here?
