PROGRAMS

Little Explorers Club (3-5 Years Old)

These fun-filled 45-minute sessions guide children through a S.T.E.A.M. topic with Museum scientists. Each exploratory session includes story time, an activity or experiment, artifact or animal encounters, and a craft.

JAM Sessions (Elementary Learners)

Junior Adventurers at the Museum (JAM) Sessions engage students in hands-on, inquiry-based activities to familiarize students with STEM-essentials.

Science Happy Hour (Adult Programs)

Science Happy Hour features a presentation by an expert in a particular S.T.E.A.M. field such as paleontology and astronomy. Drinks and appetizers are provided with ticket purchase during these dynamic talks.

Cinema + Science (Adult and Youth Programs)

Enjoy special free movie screenings at AMC Prairiefire Dine-In plus an engaging panel discussion. Followed by a meet and greet with film makers, scientists and field experts.
