Your Dream Wedding at Linden

Romance, elegance and charm combine to create your dream wedding at our luxurious Natchez Bed and Breakfast venue. The secluded grounds of Linden sit on seven serene acres, providing the perfect backdrop for your intimate wedding or elopement. Elevating your experience will be the exclusive use of our interior common areas, six sumptuously renovated guest rooms with private bathrooms, wrap around verandas, seated or buffet style breakfast each morning for onsite guests, and beautiful grounds all at your disposal. For an additional fee, you can rent our 3-bedroom/2-bath/full Cottage with an outstanding courtyard (which can also be booked for smaller events such as Rehearsal dinners).

Linden is the perfect setting for discerning couples - multiple areas of the property can provide a romantic setting for your nuptials or reception:

- The front lawn with Linden's colonnaded front porch as a backdrop
- The century-old dramatic live oak trees sprinkled throughout the seven acres
- The landscaped garden arbor with uplighting, ending with two beautiful tall trees creating a "chapel point"
- The Cottage including a beautiful "old-world" large brick patio

Linden's history and classical Southern charm are evident in every room, all of which hold a collection of museum-caliber artwork and Federal-style furnishings. These details, along with the manicured grounds and true Southern service, come together to make a wedding at Linden an affair to remember.
