DOUBLETREE BY HILTON

A minimony is an intentional, intimate and meaningful marriage ceremony with close family and friends it is an intimate affair, typically with no more than 50 guests. They still feature time-honoured traditions that make a wedding but on a much smaller scale. Often the guest list is immediate family and super-close friends that you will have more time with during your celebration along with enjoying the food, the entertainment and all of the little elements that make up your perfect day!
