Everbloom
FLOWER BAR

Hello there!

Everbloom Flower Bar began as a unique idea for an icebreaker activity at our engagement party. We wanted something different from the usual games—an activity that was subtle, allowed people to engage at their own pace, and encouraged conversation as guests created their own bouquets. We also aimed to provide a keepsake that guests would cherish and use in their homes. Everbloom Flower Bar is dedicated to creating enjoyable moments at your events and adding natural beauty to your special occasions.
