

THE
STONE BARN
at
SEBAGO LAKE

Welcome

—

The Stone Barn is situated on an 18-acre property adjacent to Saint Joseph's College in Standish, Maine. Following its deep commitment to sustainability, wellness, and the local economy, the College completed renovation of this historic barn in 2016. The Stone Barn is home to educational events as well as celebrations, meetings, courses, workshops and conferences.

Pastoral Elegance

Our early 20th-century normandy-style stone barn and courtyard can accommodate up to 175 guests for weddings from mid-May through October. The venue provides authentic character and contemporary function in a historic and agrarian setting. With access to indoor and outdoor venues the Stone Barn and surrounding property are a perfect destination for your wedding weekend.

Plan Your Event

As a wedding venue, the Stone Barn provides a full-service experience. Our team will support you as your coordinator, caterer and bar service. We will work with you every step of the way to ensure that your standards are met in every detail.
