We offer a variety of customizable options to make your wedding uniquely yours!

WEDDING GUIDELINES

These general guidelines will help you begin the planning process. Creating moments to last a lifetime is our specialty. Begin by selecting a wedding package for your Hawaiian Wedding!

We allow each ceremony and/or reception event a minimum of (1) hour and a maximum of five (5) hours. Pricing varies on event location and day of the week. Ceremony and Reception site fees starting from \$2,000.00. To ensure the preferred space for your ceremony and reception, we require confirmation via a signed agreement. A non-refundable deposit of \$2,000 further guarantees your space of choice. The deposit is applied to your total wedding cost.

For larger weddings at King Kamehameha's Kona Beach Resort a professional wedding planner and/or day coordinator is required. A la carte options available, please inquire. For use of any outside vendors, a fee of \$250 each plus Hawaii State General Excise Tax of 4.712% shall apply.

Packages, food and beverage minimums and deposit requirements are subject to change without notice. All rates are subject to Hawaii State General Excise Tax of 4.712%, which is subject to change without notice.

FOOD & BEVERAGE MINIMUM

A food and beverage minimum is required for all receptions, in addition to the site fee. Pricing on food and beverage minimums vary depending on the venue and day of the week. Please inquire.

The food & beverage minimum is not a package but states the minimum amount you need to spend towards food and/or beverage through our Catering Department. All food & beverage and room rental are subjected to 23% service charge and Hawaii State General Excise Tax of 4.712%. In cases the food and beverage minimum is not achieved, the difference will be charged as a room rental fee.

MARRIAGE LICENSE

A marriage license must be obtained in the State of Hawaii prior to your wedding. You may complete a marriage license application online at <https://marriage.ehawaii.gov>

Both parties to the marriage must appear personally before the marriage license agent with valid government issued photo identification.
