

# The Orchard

event venue & retreat

*“Now that you have said “Yes.”  
Where will you say “I Do?”*

## The Reception Hall

Our 7,700 square foot reception hall is perfect for all events of 50 to 350. The room is unique with its stained concrete floors and exposed wooden trusses. Our clients have access to the granite-topped bar, prep kitchen, Bridal Suite, and many other amenities inside.

## The Pergola

Sitting in the center of the pecan orchard is our most popular ceremony site, The Pergola. The Pergola, made of cedar, is tucked beneath one of our 100-year-old pecan trees, in its backdrop sits a heart shaped pond with a fountain. Surrounded by 50 acres of pecan trees, it's no wonder it's so popular!

## The Plaza

Connected to the Reception Hall by a glass wall is The Plaza. This 2,000 square foot covered patio features a two-sided fireplace for cooler months and ceiling fans for the warmer months. The Plaza has endless possibilities. It's the perfect place to hold a ceremony, a cocktail hour or even makes a great dance floor space.

## The Pecan Room

The Pecan Room is a quaint room located right off the main reception hall, perfect for indoor ceremonies! This room features four crystal chandeliers and a rustic wood background that serves as a beautiful backdrop for the bride and groom.

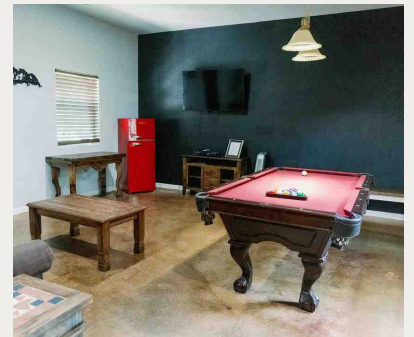

## Bridal Suite

Our Bridal Suite is quite comfortable with plenty of space for the bride and her bridal party to relax and prepare before the wedding. Featuring a six-seat vanity for makeup and hair, a couch, 2 armchairs, side tables, fridge, and a wall of full-length mirrors. Don't forget to check out the outdoor gazebo, perfect for pictures!

## Grooms Cabin

The Groom's Cabin is a great separate space for the guys to relax before the ceremony. Everyone will feel right at home with the flat screen, satellite TV and gaming system. The cabin also comes equipped with a pool table, private bathroom, and a cooler and fridge for any drinks and snacks beforehand.

## The Pavilion & Arbor

The Orchard's open-air Pavilion sits just inside our entrance amidst hundreds of pecan & oak trees, and is perfect for any rehearsal dinner, post wedding brunch, micro-wedding, or other intimate events! The large rock-stack fireplace and stunning view of the property create an experience that is truly remarkable. The Orchard Pavilion can accommodate up to 75 seated guests (or 50 with a dance floor) for a wedding reception. If you wish to have your ceremony on the same property, we have The Arbor, which serves as a beautiful backdrop to say your "I Do's."
