

Weddings at Zephyr Lodge

Create an experience

We book stays Friday- Sunday or Tuesday- Thursday because we want you to enjoy time with each other and loved ones and not have to rush. You get to design your own weekend which might include:

- having rehearsal dinner on site
- utilizing day of flexibility - whether that means private vows early in the day or making the morning “get ready” a part of the party - it’s all up to you!
- continuing to enjoy time with guests into the night instead of rushing to clean up
- waking up with your new spouse and having breakfast in bed or a large meal while your guests reminisce their favorite parts of your special night

Planning

A world of possibilities

- We want you to personalize your wedding and celebrate your unique day! We will provide a list of preferred vendors who have been here before, but you are welcome to go beyond our list. If you choose a vendor who has not been here before we ask that they set up a tour before your big day to get the lay of the land.
- Due to the nature of the venue, we do require day of planners. A list of preferred vendors will be provided.
- Zephyr does not currently provide any catering, planning, or bartending staff.
