

Our Clients Say

This place is one of the most magical places we have ever been. The view was mesmerizing! We could not have been married in a more perfect location. We want to thank you for lending us your piece of paradise for the weekend.

– Kendall R

We hosted our daughter's wedding at this wonderful home. The house is spacious, immaculately clean, and well-appointed. The property is magnificent with great views and a range of venues and options for a vacation or an event.

The best part, however, is the attentiveness and service provided by the owners. They were friendly, responsive, and considerate to our every need and request. I can't recommend it highly enough.

– Scott L

All of our guests were continually impressed by the gorgeous scenery and the hospitality of the Stony Woods family. We will treasure our memories for the rest of our lives.
