Easton Broad

WHAT THEY SAY

We needed a venue that was easy to work with, flexible, and yet still beautiful. Easton Broad delivered just that. They were a perfect blank slate and Aaron & Kelly gave us so much freedom to create something incredible. We also loved how we were able to do our bartending & rentals through them...

They were so chill and accommodating and we can't recommend them enough. With their help, our reception was more than we could have hoped for!

L & S

Easton Broad was perfect for our wedding reception.

We had toured a few venues but we didn't find what we were looking for until we visited EB. Kelly went above and beyond during the planning process to work with our wedding planners, Hosted By, to nail down the final details...

We opted for a hosted bar and our guests loved the drinks! We appreciate everything the team did to ensure we could enjoy our evening.

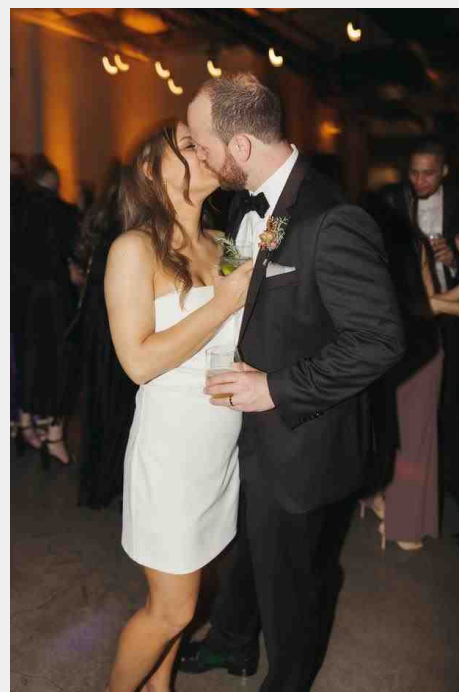

M & R

It's a perfect blank canvas for any event as it's beautiful on it's own, before you even bring in your own decor. We appreciated their flexibility: open catering policy, different packages, etc.

... Kelly was so organized with all the details such as rental and vendor coordination. Aaron's incredible cocktails had all of our guests raving and he added a really personal and friendly touch to our day.
