

My Promise To Each Couple

- Your Wedding Day should be one of the most joyous moments of your life together.
- When you choose to collaborate with me, you get the support of a licensed marriage officiant who truly cares about getting to know you to create a ceremony that properly represents you.
- I provide a personalized experience, always respecting your values and your vision.
- Together, we will create an elegant and uplifting wedding ceremony by accentuating the positives, sharing smiles, and doing everything with love.
- Happy wedding after happy wedding, I find that fun works, and work's fun in a joyous collaboration.
- Your wedding is a moment you will remember forever. I am honoured to play an important role in making your special moment a reality — and a delightful, lasting memory for you.
