### Date Reservation Fees (Optional)

To reserve a date for an event, a reservation fee of \$200 is required. While it is not required to pay the reservation fee, one's date will not be held unless one does. This fee reserves the chosen date for 30 days at which time we have the option to extend it further, but that option is not guaranteed. The reservation fee is non-refundable but will be applied to the final event rental fee.

## Rental Deposit

To definitively secure the date for one's event beyond the date reservation period, a deposit of \$2500 is required.

## Event Rental Fees

There are 5 event rental options based on the various event spaces selected to engage. Each option includes 3 hours for the actual event and also includes 1 hour for setup/decorating before and 1 hour for cleanup and breakdown after the event, totaling 5 hours of rental time. Additional hours for the event may be reserved for \$750/hour while additional hours for setup/breakdown may be reserved for \$375/hour.
