Frequently Asked Questions

Is there a rental payment process?

Yes, once you book your date, 50% is due and the remaining balance will need to be paid two months prior to the event. The balance of any catering and alcohol ordered is due once month prior to your event.

What kind of deposits are required?

The only deposit required is the non-refundable rental deposit. There is no safety deposit required for possible damages. We ask that you take care of the property during your event as you will be responsible for any property damage you cause.

What is the cancellation policy?

The deposit/payments made are non-refundable upon cancellation of the event.

Do I have to use vendors of your choosing?

It is not required that you use specific vendors. Any vendors we recommend have been to our venue frequently and are familiar with our space.

Do I have to cater with Prairie Links?

No, you do not have to use Prairie Links as a caterer. Any outside caterer must be licensed through the state of Iowa and have all required permits. Also, staff/personnel from the catering company must be present during the setup, service and teardown of their food.

Are there sound equipment and speakers?

Our venue does have sound equipment and speakers that are included in all wedding and venue price packages.

Are there any decoration limitations?

No decoration may be hung on the walls due to protect our paint. Flammable candles may not be used and we also ask that you not use glitter, confetti or glow sticks indoors.

What am I responsible for in terms up setup and teardown?

For all wedding packages: The event coordinator will setup and tear down all tables, chairs, linens, and staple decor as requested by the renters. The renters only need to setup and teardown their personal decorations. The Prairie Links staff will also manage all trash and cleaning responsibilities.

For general venue rentals: The event coordinator will have all tables, chairs, linens, and staple decor requested out and available for the renters by the start of their rental time. The renters are required to setup, teardown, and maintain the space throughout their rental period. The renters will also have the task of taking out trash, wiping down used surfaces and sweeping and/or mopping as needed.

Can we bring in our own alcohol?

Due to Prairie Links's liquor license through the state of Iowa, no outside liquor is allowed on our property. All alcohol must be purchased through Prairie Links. Any outside liquor that is found will be confiscated and will result in an additional \$200.00 fine to the renters.

Is there lodging on site?

No, we do not have lodging on site, but there are several hotel and AirBnb or VRBO options within a 5 mile radius of Waverly.
