

Who We Are

This historic, private vineyard estate was established as an event venue in 2017, in the quaint town of Tamworth, NH. Nestled on a quiet hilltop in the heart of the Lakes Region and in the foothills of the White Mountains, including Mt. Whiteface, this exclusive property boasts a pastoral setting with spectacular panoramic mountain views.

With twenty-five acres of rolling meadows, forest, and expansive lawns, bordered with rock walls, the property offers multiple indoor and outdoor locations for ceremonies, cocktails, dinners and more. The large, restored Barn is a beautifully rustic, ready canvas for your special event. The Winery offers additional event space for your intimate gatherings. While the cozy, well-appointed Farmhouse and woodsy on-site Cabins complete the opportunity to truly experience your extended stay. You'll have ample time and space to enjoy family and friends at all of your events.

We are a small family business. As husband and wife, we are helpful, accommodating, and welcoming. We enjoy keeping this space beautiful to share with our couples for such important moments. Working together to support you, we see ourselves as integral members of your team. We believe in family.
