Technology

ENCORE EVENT TECHNOLOGIES / AUDIO VISUAL

Des Moines Marriott Downtown **is pleased to share that Encore Group (USA) LLC (“Encore”) is the Hotel’s sole preferred in-house event technology company.** Although Hotel does not require that Group use Encore for Group’s event technology requirements, Group agrees to allow Encore to submit a competitive bid for Group’s consideration. Encore does have exclusivity to all installed systems and rigging.

Should Group elect to provide equipment from an outside source, then in addition to Group’s obligations as set forth in the *Outside Contractors* clause, the following shall apply:

1. As a commitment to the success of Group’s Event, an experienced event technology liaison with intimate knowledge of the Hotel’s meeting space will be assigned to Group’s program to ensure the success of the outside event technology company’s load in, execution of the Event, and load out.
2. Based on Group’s scheduled load-in and load-out times over the official Event dates, an event technology liaison fee to be billed at current published labor rates, plus applicable taxes, will be **billed to the Group’s Master Account.**
3. Additionally, the event technology liaison will be onsite during the Event production days as determined between Encore and Group’s event technology provider, to field any last minute/on-site additions, or if emergency support is needed. This daily fee, covering the hours as determined between Encore and Group’s event technology provider, will be billed at current published labor rates, plus applicable taxes, and will be billed to the Group’s Master Account.
4. The total quantity of billable event technology liaison services will depend upon the duration and scope of the Group’s load-in/load-out schedule and Event production.

5. Once Group's specific audio-visual needs have been determined, Group may contact an Encore **representative** for a calculation of the total estimated event technology liaison services.

6. In-house audio-visual equipment is subject to applicable taxes and current service charge of 25%.

Please contact an Encore Representative for current labor pricing, note that overtime and weekend rates may apply. Encore requires 5-hour minimums for all labor shifts.
