Event A/V Packages

We are honored and excited to be hosting your event at our beautiful and technologically advanced location in the middle of downtown Fort Lauderdale. We look forward to serving you in making this event a memorable and wonderful experience. Our trained technicians will ensure a smooth A/V experience. Our team is capable of meeting almost any production needs from a small business meeting to a full concert. The following packages are designed to allow us to best serve you and ensure we are meeting any and all of your A/V needs for your upcoming event. Please note that there can be no changes made to any of our packages with the sole exception of the custom package or available add-ons. This is to ensure we are able to execute your event to the highest standards. We look forward to an exceptional event here at the Downtown Event Center!

A/V Equipment Usage Requirements

Any graphics/videos and or audio files must be provided at least **48 hours** in advance of the event via email or physical hard drive unless special permissions are granted.

One of our technicians is required for all events utilizing any of the production equipment.

Use of external production equipment including personal computers and/or audio devices requires special permission.

Any event longer than 10 hours or multiple days will receive an upcharge for technician's time
