RATES INCLUDE Tables, chairs, basic lighting, Wi-Fi, lectern and wireless microphone, iPod connection to house sound system, easels, basic cleaning and an onsite event manager scheduled during the event.

IN ADDITION Required security is scheduled approximately 75 minutes prior to an event until approximately 45 minutes after the event. Number of security officers is determined by event coordinator and is subject to change. Additional services and equipment available at prevailing published rates and may include additional event manager fees. Use of Overture equipment and related labor required whenever available.

COAT CHECK Coat check can be offered to your guests for an additional fee. Fee is determined by guest count, event location and event schedule.

MINIMUMS/FEES Catering a Fresco, Overture Center's exclusive, in-house caterer, does not require food or beverage minimums.

As a union facility, Overture Center requires stagehand labor for any event taking place in our theatre spaces and events with a certain level of technical production. The cost of stagehand labor is determined by event schedule, type of activity and complexity of the production. Labor estimates can be provided upon request.

TESTIMONIAL "Our event was very successful in large part because of the amazing job the Overture and catering staff did for us. We would not hesitate to have another event there and refer the Overture Center to others wanting to host an event."
